July 3, 2019

Hello,

Thanks for your interest in the East Coast Convention for NA. Our goal is to hold the 24th East Coast Convention of NA June 26-28 2020 at Washington College in Chestertown. In years gone by, the East coast Convention was a tradition for addicts on the East Coast to travel to a multi-regional convention for the purpose of recovery from addiction together. That tradition was broken but it has been restarted with guidelines and safeguards in place to ensure that we can be accountable to NA and true to our vision that no addict seeking recovery need ever die, without have had a chance at a new way of life. All proceeds from the convention are used to buy basic texts for addicts in institutions.

At the time of the publication of this flyer, East of the Bay Area has passed a motion (ASC 4-3-2019 Unanimous) to Host or Co-Host ECCNA 24. Bay Area also passed unanimously the same motion (ASC 5-1-2019). Washington College has a letter of intent to host us for June 26-28, 2020. At the convention in Florida in June, we were awarded the bid to host in 2020.

There is one position left on the convention admin.: Treasurer.

Subcommittee chairperson clean time requirement is 3 years, service requirement is prior convention experience. The merchandise chairperson must not be affiliated with any of the companies submitting bids. Subcommittee titles are: Arts & Graphics, Auction, Convention Information, Entertainment & Fundraising, Hospitality, Marathon, Merchandise, Program, Registration, & Serenity Keepers.

In loving service
Mike R
