Carrying the Message

The purpose of the East Coast Convention is to make accessible a convention that is cost effective for newcomers and to supply the Basic Text to jails and prisons.

GENERAL INFORMATION

ECCNA is an annual convention where addicts can meet and attend workshops to further their recovery. All proceeds from the convention are used to carry the message to the addict who still suffers!

The first East Coast Convention was held in 1980 to promote unity amongst the groups of different areas and bring our fellowship together in a celebration of recovery. The East Coast Convention's purpose has remained the same since its inception in 1980. However, in 2010, this purpose was expanded to purchase and distribute Basic Texts to addicts in jails and prisons along the East Coast.
